

Report on Placement Drive Prerna College of Commerce (2020-21)

Report

- Prerna College of Commerce though a commerce, management and Science College, has always been concerned about the placements of the students in various organisations for different vacancies.
- Due to the prevalence of Covid-19, the efforts of the college experienced a temporary setback.
- However, the college refused to surrender to the circumstances and continued its efforts in contacting various organisations for the placements of the students.
- The Covid-19 has caused a good deal retrenchment in various fields and most of the industries, firms and the companies have retrenched their employees because of the recession in business or closure of business.
- Even in the unfortunate circumstances, the college has succeeded in approaching six different business organisations and requested them to hold campus interviews in the college premises online/offline to conduct the interviews for the vacancies available with them.
